FRANCE LIVRE
The French Publishing Network

FOR THE SIXTH YEAR, PARIS IS HOSTING ITS INTERNATIONAL PROFESSIONAL PUBLISHING MARKET

A unique networking opportunity to discover the full breadth of French-language editorial production, as well as that of two focus countries: Germany and Poland.

Alongside the representatives of more than 300 French-language publishing houses (from France, Quebec, Switzerland, Tunisia and others..), a selection of German and Polish publishers will also showcase their catalogues to international acquisition editors.
